Serving others to the glory of God

Unique to any other book about maximizing personal productivity, What's Best Next is a God-centered, gospel-oriented perspective that addresses the proper motivation to drive your productivity—serving others, to the glory of God. This motivation is the path to finding the greatest possible meaning in your work and, paradoxically, is also the path to greatest effectiveness.

“This book is simply extraordinary… I doubt there is a person on the planet who knows both theological issues and time management literature to the depth and extent Matt Perman does.”

—RICHARD WOOLSEY, Founder and Chairman, DesiringGod.org

“In this amazing volume, Matt Perman offers a wealth of practical, real-world productivity solutions, all framed within the context of the gospel. He provides the know-how and the know-who we need to be faithful stewards over the gifts we have been given.”

—MICHAEL YAKEY, New York Times bestselling author, Platform, MichaelYakey.com

“… a Christian companion to Getting Things Done.”

—HUGH WIELCHIEL, Executive Director, Institute for Faith, Work & Economics, author, How Then Should We Work?

“A refreshing, lovely, remarkably insightful, deeply God-centered approach to productivity. I find myself constantly recommending this book to others—encouraging them to buy it for themselves.”

—WAYNE GRUDEM, Research Professor of Theology and Biblical Studies, Phoenix Seminary; author, The Poverty of Nations: A Sustainable Solution

“The question isn’t ‘What do I want to do for God?’ but ‘What does God want me to do?’ For a believer, productivity is more than a set of skills. It requires a mindset—how your work and life can transform the world socially, economically, and spiritually, and connect to God’s global purposes. In this book, Matt Perman provides the framework for getting more done—the things that count, make a difference, and move the world forward. Do Work That Matters offers a practical approach for increasing your effectiveness in everything you do.”
